A black and white photograph of a bride and groom in a tunnel. The bride is on the left, wearing a white wedding dress and a birdcage veil, leaning against a rough stone wall. The groom is on the right, wearing a white shirt and a dark vest, embracing her. They are looking at each other and smiling. The background shows a long, arched tunnel with a series of lights hanging from the ceiling, creating a sense of depth and perspective.

about my studio

I believe wedding photography is an art. Seeing everything without being seen...being everywhere without being felt...creatively capturing all the memorable moments of a wedding day...that's what makes wedding photography an art.

PHOTOGRAPHY IS
MY LOVE AND CAREER

When you open a really amazing wedding magazine spread what knocks you off your socks? The real images of that specific wedding day: the details, family emotions, wonderful guests interactions and of-course the couple in their most beautiful moments.

that's what I capture

I am here to perfectly document your stunning wedding day, to help you and your family remember everything that happens on your special day that will help define the rest of your lives together.

I will treat your day as though it was my own

THAT'S MY PROMISE

what to expect

We would schedule a chat or a meeting based around your schedule over the next few days. You can meet me at a coffee shop or we can meet at a location convenient for you..

This meeting is more of a casual chat to determine that our personalities are a good fit! It's so important to mesh with your photographer and have great chemistry!

Once I have you on our calendar for your wedding, we'll begin planning your engagement session and/or bridal session dates and locations.

Getting married is such an exciting time in your life and these sessions are the perfect way not only to document it, but it allows us the opportunity to get to know each other a little better. Learn how we each work and get comfortable before your wedding.

your big day

Now, your big day is here! I will arrive and begin walking through the venue – taking detail shots where I can and get setup in the reception area.

We'll shoot your wedding with professional style from you getting ready to your final exit.

Once your images are ready, we'll post your teasers, blog your images, upload the images to a password protected gallery to share with your friends and family.

It's a fun and seamless process. My goal is to make your wedding planning experience more enjoyable and turn your moments into tangible memories!

YOU'LL LOVE YOUR PHOTOS!

frequently asked questions

How long does it take to get our images?

Online galleries and digital files are ready within 4 weeks of the wedding date. Upon final approval of album designs most albums are ready for delivery within 6 weeks.

How many images will we get?

The number of photographs taken depends on many things – the number of guests, hours of coverage and types of events. Each of my packages include a minimum number of prints. The option is available to purchase additional images should you require..

Do you come to the rehearsal?

Rehearsal dinner coverage is available if you'd like to add it to your collection, otherwise we do not attend the rehearsals.

Can you hold the date for me?

Sorry, unfortunately we can not hold the date or pencil you in. To be fair to everyone we can't "hold" a date without a retainer and a signed contract.

Do you refund deposits on cancellations?

No. The retainer fee is non-refundable. The retainer guarantees that we will hold the date exclusively for you and once you've signed the contract we do turn down all other commissions for that date.

We're ready to book, what's next?

Great! When ever you're ready, we require a signed contract and a retainer fee of \$250 or 20% of total package (whochever is greater). The remaining balance is due 1 week before your wedding date. A signed contract is required in order to book the date.

Thank you! Thank you! Thank you!
Our photos are fantastic. We could not have
asked for a more friendly, down to earth
photographer.

after the ceremony

After each wedding, we will spend up to forty office hours prepping images, organizing photos and creating online galleries. I firmly believe that devoting this much time to each wedding translates into a superior end product – and wonderful memories – for you.

ONCE YOUR IMAGES ARE READY YOU'LL BE ABLE TO VIEW THEM IN YOUR ONLINE WEDDING GALLERY

With your wedding images on a USB stick on their way to you about 2-3 weeks later, we can talk through your choice of wedding album if you would like one.

I will design your album with your favourite images in mind, and once you are happy with everything, and depending on the time of year, your album will arrive in around 6 weeks.

OTHER A LA CARTE PRODUCTS ALSO AVAILABLE UPON REQUEST

Enjoy your wedding day memories for many years to come!
